Petition in support of Equitas

We, the undersigned residents of Canada, draw the attention of the House of Commons to the following:

WHEREAS in 2015 the House unanimously passed an NDP motion that recognizes Canada's covenant of moral, social, legal, and financial obligations to veterans;

WHEREAS the government is spending hundreds of thousands of dollars fighting wounded veterans in court instead of spending that money to ensure that all veterans receive the benefits and services they require;

AND WHEREAS theLiberals campaigned on bringing back the veteran pension and the Prime Minister outlined this as one of his priorities for Minister Hehr in his mandate letter;

THEREFORE we, the citizens of Canada, call upon the government of Canada to immediately halt the court proceedings and head back to the negotiating table with the veteran group Equitas and develop a plan to bring back veteran pensions.
