

Petition in support of Access to Veterans Hospitals

We, the undersigned residents of Canada, draw the attention of the House of Commons to the following:

WHEREAS veterans from World War II and the Korean War are aging rapidly and requiring more care;

WHEREAS veterans require specialized care that can only be received at Veterans Hospitals;

AND WHEREAS there are beds available at many veterans hospitals across Canada;

THEREFORE we call upon the Minister of Veterans Affairs to immediately relax the regulations on access to veterans hospitals and ensure that all Korean and WWII veterans are able to access these beds when they require long-term care.
